#### INDUSTRIES

Found in **Healthcare, Financial Services and Professional Services, and Entertainment**

Large concentrations in sectors hit hard by pandemic - **education, travel and tourism, residential construction and food/restaurant**

Find Gen X working in **Technology, Transportation and Logistics, and Construction**

As entrepreneurs Gen X leads **Health and Wellness, Retail** with a focus on ecommerce and social business as well as **Hospitality**

Prior to the pandemic, Millennials were drawn to unexpected sectors like **Retail/wholesale, manufacturing, and supply chain**

As expected, found in **Technology, Financial Services and Healthcare**

Gen Z aspires to work in **Technology, Arts, Recreation, Social Services, and Entertainment**

Find them in entry-level positions working on data, social media and cyber security in **Retail, Tourism and Business Services**

#### VENDOR ENGAGEMENT

- ❖ **Prefers to leverage relationships** with expert sales. Uses the internet and their network for recommendations and advice
- ❖ **Trusts industry analysts**, learns best through traditional media content along with select digital assets
- ❖ **Be prepared.** Anticipate buying/cross-selling opportunities; expect ongoing Q&A and troubleshooting.

- ❖ **Prefers both an automated and personal** sales approach
- ❖ **Depends on company website content**, reviews, industry analysts, blogs, events and in-person interactions
- ❖ **Don't forget to pitch them.** This group is both skeptical and savvy but can be very loyal to vendors that 'get' them and make it clear how it works.

- ❖ **Prefers automated and electronic** communications
- ❖ **Refers to current digital content** in their research from case studies, whitepapers, infographics to social media posts -- which they share with their peers
- ❖ **Know their journey.** What, where, when, and how are moving/consuming and then responding on a personal level.

- ❖ **Prefers automation with a human behind it**
- ❖ **Defers to influencers and YouTube** as their primary sources of information and research about companies and products
- ❖ **Be entertaining and use video.** They like to learn using quizzes and games
